

# TRAINING

The goal of our Training Program is to teach people how to compassionately and effectively teach their dogs in order to attain reliable results that can last a lifetime. Our trainer continuously participates in continuing education on canine behavior and positive training methods.

*Why choose WAHPR for all your training needs?*

Our trainer is also a behaviorist who has 20 years of experience working with both severe aggression and general behavior issues.

Initial private training consultations with our trainer to help build a training plan tailored to the needs of you and your pet.

Private training sessions available for you and your pet.

For pets who qualify we offer training sessions while they attend Doggy Daycare or board with us here at WAHPR.

A variety of training classes available ranging from first time puppy classes to general training classes to off leash training classes.

All training supplies available for purchase here at

To set up a private consultation or to have any training questions answered, please email at:

## PET RETREAT:

DOGGY DAYCARE,  
BOARDING,  
GROOMING &  
TRAINING

AN ENTIRE FLOOR OF THE  
HOSPITAL DEDICATED TO  
DAYCARE & BOARDING!

# DOGGY DAYCARE

Does your dog suffer from the following?

- \* High Energy
- \* Separation Anxiety
- \* Chewing
- \* Barking
- \* Howling
- \* Accidents in your home
- \* Lack of Socialization
- \* Your long work days

Hours: 6:30am—6:30pm Monday- Friday

Daycare will allow your dog to exercise and socialize. A tired dog is a happy owner and WAHPR's daycare staffs' goal is to provide a safe and stimulating environment to meet the needs of your furry family members.

While at daycare, additional services such as lunch, medication administration and grooming services are available.

We have rotational nap time periods for all dogs who receive lunch to ensure their food is properly settled before engaging in play.

We separate large and small dog breed exercise when needed to ensure the safety of our daycare dogs.

Daycare, boarding, and grooming have their own entrance and receptionist to suit your needs!

Kongs, couches, balls, climbing structures, agility ramps and an in ground shallow pool and waterpark provided!

To attend daycare, owners are required to fill out a daycare application that will answer basic and behavioral questions about their dog (s). Each dog must pass a daycare evaluation which is a temperament test to ensure that they are dog and people friendly.

All daycare and boarding dogs must be up to date on the following: Rabies, Bordetella and DHPP vaccines and have a negative stool test within the last 6 months and every 6 months thereafter. All dogs must be on year-round flea/tick
